

# UROLOGY4U

Gene Meisenberg MD

Dear Patient,

At our *facility*, Dr. Meisenberg and his staff understand the importance of delivering a positive experience to every patient. With that in mind, we are *committed* to providing our patients with the highest quality care and patient satisfaction. Our private office setting offers a luxurious environment that's warm and inviting, while our state-of-the-art equipment and office based minimally invasive surgery offers patients access to technology and services that are not available to most medical practices.

Combining the right mixture of patient care with the latest technology, *our practice* is fully equipped to handle all of your urologic needs.

## **ABOUT OUR OFFICE BASED SURGERY**

Urology4U specializes in treatment of all types of urological conditions affecting men and women, including but not limited to, Benign Prostatic Hypertrophy (BPH), Prostatitis, Impotence, Incontinence, Urological Oncology, Infertility, Overactive bladder, Kidney and Ureteral Stones. The Center is equipped with 3-D Color Ultrasound, Digital Fluoroscopy, Video- Urodynamic Lab, Laser, Microwave Thermo-therapy, Pelvic Muscle Rehabilitation Lab, and Cystoscopy Room.

We are an Office-Based Surgery facility accredited by AAAHC, the Accreditation Association for Ambulatory Health Care, with fully equipped Operating and Recovery Rooms where we can perform Minimally Invasive Surgeries under anesthesia on site.

Languages spoken in the office include English and Russian.
